Abstract	<p><i>Provide a brief but descriptive abstract (250 to 500 words) in one or two paragraphs in this space. Graphics, bullets, and tables will not be published in the Book of Abstracts. Your abstract will be used by the technical committee in the selection of abstracts for publication in the Book of Abstracts for delegates.</i></p> <p><i>CWRA does not permit advertising of products or services in this technical forum. Advances in technology, be they projects, methods or products, are of great interest to delegates. Abstracts introducing new technology will be screened to ensure that technology (rather than a product) is described and put into context with existing technologies.</i></p>
Biography	<i>Provide a brief description (100 words or less) of the presenting author's background and work history in this space. Include the author's current position and major accomplishments. If your abstract is selected for presentation, this information will be used by your session moderator to introduce you.</i>
