# Exhibitor Information

## 63rd CWRA National Conference

### Exhibiting at the Conference

As an exhibitor at the 63rd CWRA National Conference in Vancouver, June 15-18, 2010 you will be a very visible part of Canada's premier water resources conference. Over 250 water professionals from across Canada attended the 2009 conference in Montreal, QC. We anticipate a larger conference size due to interest generated by the Vancouver / Whistler Winter Olympics plus endorsement by the American Water Resources Association.

### Exhibition Information & Fees

- Exhibitor Set-up: Monday, June 14, 12:00 – 5:00 pm
- Exhibit Hall Open: Tuesday, June 15 – Thursday, June 18
- Exhibitor Take-down: Thursday, June 18, 3:30 – 6:30 pm

Coffee and snack breaks during exhibit hours will be held in the Exhibit Foyer, Tuesday through Thursday, maximizing traffic and allowing more time for conference participants to visit with exhibitors. On Monday evening of the conference, we will sponsor a meet-and-greet reception in the Exhibit Hall for networking between exhibitors, poster presenters and conference participants.

### Exhibitor Fees

- Single 10' x 10' (width x depth) booth – \$1,500
- Double 20' x 8' booth – \$2,500

### Each exhibit booth includes:

- One skirted 8' table (two 8' tables for a double booth)
- Two chairs (four for a double booth)
- Drape sides and backdrop
- One wastebasket
- Complimentary registrations for two staff (two for a single booth & four for a double booth). Additional exhibitor registrations are \$275.
- Please note that the exhibition area is carpeted.

Electricity and internet are not included and should be arranged directly with the hotel.

### CONTACT

If you are interested in exhibiting at the conference or have any questions, please contact Edward Quilty at Aquatic Informatics: +1.604.873.2782 ext. 22 or [ed@aquaticinformatics.com](mailto:ed@aquaticinformatics.com)
